Prayers for our Ministry and Nation

Praise the name of the Lord. For you are my delight and my joy. Early in the morning, I will seek to be in your presence. Late at night, I will recount your faithfulness to me! I am thankful that you, oh Lord have planted me in the house of the Lord. That each day I abide in your divine presence. I continuously grow in grace, thrive, and not survive. I bear much fruit and prosper. I will flourish, develop my calling, and walk in love. I lead from a place of peace. I look for opportunities to be a blessing to others. I am generous and lend to those who need help. I expect you, Oh Lord, (according to your Word) to bless the seed I have sown, whether it is financially or good deeds. Put the right people across my path, that I might encourage and be a blessing to them. Thank you, Father, for using us, for such a time as this.

In Jesus' Name,
Amen.

Father, we ask that you give us a heart for the lost. We pray that we will begin to look at people differently, with a look of mercy and compassion. Let us begin to see others the way you see them. Change our hearts, change our attitude, and let us enter the harvest field expecting to reap. Open our eyes that we can see the harvest is truly ripe, the laborers are few. We pray you use us to reap! Equip us! Anoint us! Position us! Speak through us! Give us success! Secondly, multiply the laborers, stir up your church, stir them up from the bed of complacency. Speak to them, igniting them, with the fire of the Holy Spirit. Raise an army that will share the gospel of Jesus Christ. A group that boldly will go into harvest fields anointed to reap! We remind you where sin abounds, much more grace abounds. Raise believers that are not distracted by the cares of life, but keep their focus on the call of God. Teach us Lord, how to tap into grace. For your grace is sufficient, for the call. We love you, Lord. Thank you, for using us in your harvest field.

In Jesus' Name,
Amen.

Father, according to your word, if any two on earth agree about anything it shall be done. We come in agreement; we will not come out of agreement! We decree and speak to this virus to leave our homes, cities, nations, and states. We thank you in advance for doing it! We thank you for United States cases flattening or dropping drastically.

In Jesus' Name,
Amen.

Father, we pray a new hunger to know you will begin to shake our nation. A cry to the highest God requesting an audience with you. To know you. To make you Lord of their life! We ask God for an awakening! May the wind of the Holy Spirit move across every heart once again visiting America. Let the sound of repentance be heard throughout the land. Speak to each soul to humble themselves before you. Father change and mold us for your glory.

In Jesus' Name,
Amen.

Father, we come against the spirit of confusion, anger, and violence in our world (The United States). We take authority over racism. We take authority over the spirit of hate that has been unleashed over our nation, in Jesus' name. We call forth justice. We pray that wherever injustice lies that God will reveal the things hidden and will be brought to light. We ask Father that you will loose peace, love, and joy upon our nation. We ask God that You, Oh Lord, will soften and change hard hearts. We pray, no longer will people look at their skin color to determine a person's worth. That once again our nation will be united as one, seeking God and desiring to have our foundation in Him.

In Jesus' Name,
Amen.

Lord, we magnify your wonderful name! We thank you that you are returning to catch your church away! I am so thankful you have prepared a place for us! You are so wonderful to us! We can't even begin to imagine how great heaven will be. But before you return, (the rapture of the church) send revival now! Visit us one more time before you come! Visit us in power! Visit us with your glory! Visit us in your strength! Pour out your Love! Many family, friends, and co-workers need to find you. They need to see your goodness, to dwell in your presence. To know you! Souls are the only thing we can take to heaven. We desire to go with crowds of family and friends! Use us to be world changers. Send revival to our nation. Restore desire for you like never before. Let hunger for your word, take priority. Let hearts be turned toward you! May repentant cries be heard across the land. We thank you the harvest is truly ripe! Lord, raise laborers to go into the harvest field. Raise people who will shake the earth for your glory!

In Jesus' Name,
Amen.

Your word is so good, it nourishes my soul, it directs my life. You, oh Lord plant wisdom and knowledge throughout your word, into my very being. Your word guards and protects me from traps that have been laid for my soul. I seek your word, your wisdom, and your understanding. For in finding your wisdom I will keep my soul from following the wrong path. Your wisdom births goodness and prosperity will follow me, as I follow you.

In Jesus' Name,
Amen.

Wake up those that are sleeping! Wake up those who have not sought your face. Wake up those who are slacking! Don't they know the King is about to return? Tell them to trim their lamps, for the King is approaching! Get ready to receive Him!

In Jesus' Name,
Amen.

Father, we celebrate that you are our God! That we are blessed with covenant rights because of Jesus' death and resurrection on the cross. We are so thankful for the blood of Jesus that was shed for us to have a relationship with you. We celebrate that we can stand upon your word, oh Lord, and boldly quote Isaiah 54:17. "No weapon formed against us shall prosper"! We boldly stand fixed on and speak Psalm 91:2 - "Our God, He is my refuge and my fortress, my God, in whom I completely trust and rely on". I stand upon your word in Mathew 18:18 that reads: Whatsoever I bind on earth shall be bound in Heaven. Whatever I forbid, declare to be improper and unlawful will be bound on earth and in heaven. So, I bind the Coronavirus in (a person, city, state, and nation). I speak to this principality. I decree you are bound. I loose health and healing in this (person, city, state, and nation). I thank you by the stripes of Jesus we walk in divine health. We decree and declare what Jesus has bought for us on the cross. We speak to this virus and declare to the virus you are stopped! We decree this person is healed. We decree this city is delivered. We decree this state receives a miracle. We decree our nation celebrates that you, oh Lord, have delivered us. Thank you, Father, for saving our Nation!

In Jesus' Name,
Amen.

Your heavens sing of the glory of God. The galaxy shows off the works of your hand. Your word is perfect, flawless, and refreshes my heart. I long for your word as if I were seeking hidden gold. The sweetness of your word, the encouragement of your word brings peace, wisdom, and joy. Your word comes alive and speaks to me at the right place and the right time. Your word leads, protects, and directs my path. Oh! How thankful I am for your word. I pray there will be a new hunger for God's word. That your people that are called by your name will begin to pick up the word of God, and begin to commune with you. Stir up the passion, stir up the fire, inside of them. Restore their first love. Do new works in their life. Don't allow them to remain the same. Bring forth their God-given talents. Let them be used by you. Show them the great future you have for them. Let them know you haven't given up on them. Wrap your arms of love around them. Let them know you care and have forgiven them. Thank you for revival among your people. Thank you for revival in America. Turn America's hearts back to you! Let this nation once again be called a Christian nation.

In Jesus' Name,
Amen.

We pray for our leaders that they make wise decisions. We pray they are led by the spirit of God! We pray you give them discernment, how to approach this virus to bring a quick end. We ask Father, for God's ideas to bless this nation financially. Give our leaders creative ideas & insight. Those in leadership, that have contracted the virus, we speak healing to their body and quick recovery.

In Jesus' Name,
Amen.

We praise you for being God almighty! We remember all the times you have delivered us! How you have protected us! Thank you, Lord, for your mercy and goodness upon our lives. Thank you for your love and care for our nation. I ask God that you would forgive the U.S. as a nation for turning our backs on you. We have left you and pursued other gods. We have tossed aside putting you first and having correct priorities. I ask you to forgive us for allowing multiple things, into our nation, that grieve your heart and are contrary to your word. Oh Lord, I ask that you would forgive us for our sins, we have allowed controlling our life. We repent and decide to go in a new direction. We are sorry as a nation we have taken the wrong road. That we have forgotten you, we have forgotten to seek your face. Forgive us! We humbly ask for your forgiveness and mercy. For your word reads John 1:9 - "If we confess our sins, He is faithful and just to forgive us." We pray that you would heal and restore our land. Breathe new life into this land. Let an awakening in our hearts begin. Let lives be restored. Let there be a new, fresh move of God in America.

In Jesus' Name,
Amen.

Father, I Worship you in peace, and my heart is tranquil as I rest before you. You alone cause me to dwell in safety and confident trust. I dwell on the precious blood of Jesus and all that the blood purchased for me. I think about the atonement, the provision of salvation, of healing, of spiritual prosperity, and material wealth. Wow! What an amazing Father you are to us! I rehearse in my mind what a great salvation we have. Heaven, eternal provision, for those who love you! I thrill, Oh Lord, at the thought of your coming! How exciting to think that we might be that generation to be caught up with you. To be with you is my greatest desire and joy! Strengthen your church with this hope! Motivate them with your Holy Spirit to do great work. Challenge them to awaken the cities, to awaken the towns, to awaken the states, and let prayer once again be heard across the land! Let souls be our chief directive. Let hunger for God penetrate every part of our nation. Let the body of Christ walk in unity. Awaken your people, awaken their hearts to know you!

In Jesus' Name,
Amen.

Oh Lord, our Lord how wonderful and glorious and excellent is your name. When I look into the heavens and I see your creativity, your amazing ability to organize and place the stars in the galaxies, I stand in awe of your majestic power and strength. Yes! Oh Lord, you have silenced the adversary, you have given me the complete victory through Christ! I am overwhelmed by how you desire to commune with me. I am amazed by your great love. Who can begin to put into words the compassion you have for mankind? Love that cannot begin to be explained, love that man cannot understand. Love that reaches down from Heaven, that sent your only son to a cross, and to die for me. Oh, how can we ignore such love? To die for mankind that we may live in victory. Victory over death, sickness, and sin. Oh, how precious and spotless was the blood of Jesus that was shed for me. What price was paid, that the blessing and all that's included, might come upon me? That blessings and favor will abound upon my life. Even before I was born you were already planning a way of redemption for me! Even before my birth, you were already making a way that I might spend eternity fellowshiping with you! Such Love! Who can explain? Thank you, Jesus, for the cross! Thank you for loving me! Thank you for the gift, the priceless gift that was paid for such a great salvation.

In Jesus' Name,
Amen.

Father in the name of Jesus, I thank you, that you've called us for such a time as this. Thank you, for the message that you have placed in your messengers. I decree there is an anointing to use us to bring hope to the hopeless and freedom to those in bondage. I thank you that your people are consumed with the gospel of Jesus Christ. I praise you, for a new hunger for God upon your children. I pray that you stir up a new desire, stir up a new love, for the Word of God. Let your word illuminate and give them supernatural direction. I ask that you use your people as never before. I decree the anointing of God to flow through them to accomplish the call of God on their life. Speak to them in the night season, share with them their destiny. Don't allow them to settle for anything less, but your perfect will. I ask that you protect their homes and divinely place them out of harm's way. I plead the blood of Jesus over them. I remind you Father; they are redeemed by the blood of the Lamb. I praise you for your goodness and kindness toward us. How blessed we are to know you and to experience your amazing love.

In Jesus' Name,
Amen.

Father, we praise and worship you. We love and adore you! We appreciate all the blessings you load us down with daily! We bind the strong man over our state, we bind greed, apathy, being self-centered and _____ etc. We bind drug abuse, violence and strife over our city and state. We take authority in Jesus' name over corruption that has been loosed in our nation and states. We pray that things that have been hidden will be brought to light. We loose a hunger and love for God and a compassion for each other. We loose a desire to live right before God! We loose peace and health on our nation, state and cities.

In Jesus' Name
Amen.

Prayers

for our **FAMILY**

Prayers for Our Family

You are my healer. You are the all-sufficient one. You are El Shadi, the God that's more than enough! You, oh Lord, are my multiplier, you take the not enough (in my pocket), multiply it until there is more than enough. You, oh Lord, are my provider. Your Word reads "My God shall supply all my needs according to his riches in Christ Jesus" Philippians 4:19. We thank you for an abundance (plentifulness of the good things of life)! We thank you for an abundance of health. We thank you we walk in divine health. We thank you that "no weapon formed against us will prosper". We are thankful we are protected and covered by the precious blood of Jesus. Father, we bring to you today those who lack family and friend's support. The single mom, the single dad, and the widowed. We pray for those who are feeling lonely, isolated, and fearful. Father, especially through this virus situation, let your family reach out to them. I pray Father, that you become whatever they may need, whether they need a husband, a father, a friend, a savior, you are big enough to meet their need. Let them begin to know you and the power of your resurrection. Reveal to them your loving-kindness and how great it is toward them. Let them be so deeply rooted and securely grounded in your love that nothing moves them. Let them be like a gigantic rock unmovable against the storms of life. We pray they experience the abiding presence of the Holy Spirit in their life like never before. Father, I ask that you would deliver them from any guilt in their life. Deliver them from this harassing spirit that plagues them night and day. Lead them to a place of repentance, and that their joy might be restored. We pray the spirit of guilt will never harass them or cause depression to come upon their life again. Do a new work, let everything become new, give them new hope. Restore what has been stolen. Let life become sweet again. We thank you, Father, you have placed a secure hedge around them! Let favor and blessings chase them down!

In Jesus' Name,
Amen.

I thank you, Father, for the ministering angels that stand guard over my family, day in and day out. Thank you for placing or positioning us in the right place at the right time. I pray each member of my family to realize, who and what they have in Christ Jesus. What amazing inheritances we have in you. I decree a blessing over their life. May they be blessed in the city, blessed in the field. May they be blessed going in and blessed going out! May the blessing of the Lord chase them down. I decree their storehouses (saving accounts) are full and over-flowing. I decree their occupations are blessed. They continuously increase, walk in favor, and divine wisdom. I decree that the blessing of the Lord overtakes my family. Abundant blessings flow from the youngest to the oldest. May they walk in the glory of God today. I thank you, God, for their great faith and love for your people. I pray that they lay down their lives in prayer, fasting, and sharing the message of the gospel. Give them wisdom that can only come from you. Let the Spirit of wisdom guide and direct them in all their affairs. Father let abiding confidence flow through them. Give them the leadership skills they need for such a time as this. I pray that you give them a revelation of you. To know your heart and what pleases you. I pray they acknowledge you in all your

ways. Teach them to be a doer of your word. Teach them to lean not to their understanding. Instruct them to walk in your strength and humility. I pray they learn to tap into your grace and accomplish the God-given call on their lives. Plant and position the right people in their lives to help them accomplish this call. Remove wrong associations, those who block what God wants to accomplish in their lives. I pray they know the hope of his calling and glorious inheritances. What is available to them. Who and what they are and what they can have in Christ! I pray a manifestation of God's power flow through them. May they be filled with God's fullness. I Pray they are anointed and that they walk in the supernatural. They understand and walk in the authority they have in Christ. They move in the gifts of the Holy Spirit daily in their lives. I pray they hear right now words from the Holy Spirit. I pray for the gifts of Spirit and especially the gift of faith, discernment, and miracles would operate in their life. I pray that you would root out anything that would hinder their success. I bind you Satan, we bind any bitterness, pride, strife, anger, wrath, and malice or anything that ultimately would hinder their success. Any attitude that needs to be changed, change it, in Jesus' name! I bind the strong man over their lives and over their family's life. I rebuke any generational and ancestral curses in the name of Jesus. Our families are free and free indeed! Let their house be built upon the rock. Let God's word be the stabilizer and the instruction manual for their life. Thank you, Father, for revelation knowledge, wisdom, and discernment. Thank you for the greater anointing on their life. Thank you for your promotion and increase. Reveal to them, they have all authority in Jesus' name. I pray they walk in dominion given to them by Jesus. May they boldly decree a thing and it comes to pass. Let their prayers be answered. I pray they are uncompromising in their walk of holiness and character. Consume them with a heart to share the gospel of Jesus Christ. I pray the favor of God is upon their life and they stay in the flow of the anointing and presence of God, in Jesus' Name! I pray this year will be the greatest year of their life! I thank you that last year they flourished. This year you are restoring everything that has been stolen. With it release a spirit of joy. Let my family be debt-free and walk in divine health and strength. I decree that their heart's desires will come to pass. I pray unusual miracles will happen in their life. I pray that areas of lack of confidence will be restored, and I declare success in those areas that may have been barren will produce an abundant harvest. Father, in the name of Jesus, we plead the blood of Jesus over our families! We are so thankful for Jesus, he was the perfect sacrifice, without spot or wrinkle. There was no sin in Him. He was perfect! We are reminded that it was the blood of the lamb, over the doorpost. It was perfect blood applied, that's brought an end to the plagues! God's people

went forth free, in health, blessed with the wealth of Egypt. We pray that the blood of Jesus protects our families. That precious blood cries out, we are redeemed. The price has been paid! God's grace covers us! Thank you, Father, we are walking out with increase and health upon our homes. Thank you, for the blessing of Abraham, on those who call you Lord. We pray that our mom's hearts will be filled with love and joy because of knowing you. We pray every mom this year will have a God encounter with you. We pray that each mom walks in divine strength and power. We pray that our moms put their complete trust and reliance on you. We pray, her health is blessed. Her finances are blessed! We pray that our moms are debt-free and are good stewards of what God has placed in her hands. We pray her family walks in the blessing, because of her faithfulness to you, oh Lord. She speaks wisdom and encouragement that comes from meditating on your word. Her family remains stable because she completely trusts in you. We pray doors of favor and increase will overflow her life. May our moms be truly blessed by the Lord. Let every season of her life overflow with new blessings. We thank God for our mothers and all they have done for us. Thank you, Lord!

In Jesus' Name,

Father let all the heavens and earth praise and worship you, oh Lord! For you alone are good. You give wisdom to the foolish and strength to the weak. Your precepts lead and direct our path that we might walk and thrive in success. I pray a wise woman will build her house upon your word! Your precepts oh Lord will become her highest priority, raising a solid foundation for her home. Let her seek your wisdom in the daily matters of business, raising her children, and managing her home affairs. May her life be devoted to you. Encourage her, let her know God is for her. I pray, she speaks wisdom, Godly words, that release protection over her family and herself. She understands the “power of the mess”, (Proverbs 14:4). She knows the area of accumulating wealth. She makes plans and has a vision for a great future. She sees ahead with Godly insight. I pray she lives a life pleasing to you, oh Lord. May God’s favor and blessings chase her down.

In Jesus’ Name,

I pray that their destiny is unwrapped, and it far surpasses any of their hopes and desires. Position them to walk in your perfect will and success. May the blessing of Abraham flow upon their life today. Refresh and renew them, and give them the heart of a conqueror. Challenge them to believe and expect the best. Shelter them, from the pains of the past. Let their eyes be fixed on you, the author and the finisher of their faith.

In Jesus' Name,
Amen.

Thank you, Father, for grace today and grace for tomorrow. Grace to walk in victory. Grace to not quit. Grace to cast my cares over on you. Grace to walk in joy and peace. Grace to forgive 7 times 70. Grace to walk in love. Grace to bring the best out of others. Grace to share the gospel of Jesus Christ. Grace to be kind in a hateful world. Grace to not criticize. Grace to keep silent. Grace to encourage and to give hope to the hopeless. Let your grace shine through me today. Your grace is sufficient for me.

In Jesus' Name,
Amen.

Glory and honor belong to you! King of kings, Lord of lords, Prince of peace, soon and coming King! I welcome the manifested Glory of God; I recognize and honor the King of Glory. I require your presence as my vital need! I need you! I desire to dwell in your house, to abide in your presence. To look upon your glory, to behold your majesty, to recognize you, the Lord of my life! For in the day of calamity or on the day of the disaster, I can rest and put my complete trust in you alone. For you have hidden me, sheltered me, and you have made a way of escape. Yes! Oh, Lord! You have set me upon a rock, high above the evil that would try to surround me. I will worship you with exuberant joy. I will lift the sacrifice of praise! I will sing of your goodness! I will sing of your delivering power! For you, oh Lord, have poured out your favor and blessings upon my life. Even when others forsake me, you Lord, have adopted me and made me part of your family. Teach me your ways, instruct me on the path that I should go. Let your wisdom always proceed from my mouth. I would have become discouraged "If I had not believed I will see the goodness of the Lord!" I have put my hope, trust, and total reliance in you alone.

In Jesus' Name,
Amen.

We worship and magnify the King of kings. He is worthy to be praised! If the Lord had not been on my side, I would not have made it! If the Lord had not been for me, I would have given up long ago. My God never leaves me or forsakes me, and I rest and abide in his great love for me. My strength, my help, and my strong deliverance is from you alone. Oh, thank you for guiding and directing my path. Thank you for blessing me with favor and great joy! How blessed we are to know you! We lift the wonderful name of Jesus!

In Jesus' Name,
Amen.

I will rejoice and worship the everlasting God, creator of heaven and earth. I can put my trust in you. You, Lord, are always correct and your faithfulness defines you. Your righteousness and justice speak of your trustworthy character. Oh, that the whole world should know you are dependable at all times and in all seasons. Everywhere I turn I see and stand in awe at your kindness towards man. Reveal to them your heart, Oh Lord, that they would encounter that same love. The overwhelming love that overflowed upon me. Such love, such amazing love! Oh, that everyone would praise you. Let every heart be turned towards you! Awaken them from their slumber and speak to them in the night season! Let them have an encounter with you. Let them not put their trust in things or other gods, but you only. Let those who call you Lord celebrate that you are their God! Let us worship and honor the King of kings! Let every believer, with great joy, shout about the great deeds you have done for them. How you rescued us. How you led us. How you protected us. How you healed us. How you prospered us. How you saved us. Yes! Great, great is your love and kindness for those who follow you. No way can we count! No way can we count all that you have done for us! Selah, "Think about that".

In Jesus name.
Amen.

We pray and stand upon your word that we will increase in strength and power. Isaiah 40:29 says "He gives strength to the weary and increases the power of the weak". We take authority over every weapon of discouragement used against us. We bind the spirit of discouragement and we loose abundant joy. Matthew 18:18 says "Truly I tell you, whatever you forbid and declare to be improper and unlawful on earth must be what is already forbidden in heaven, and whatever you permit and declare proper and lawful on earth must be what is already permitted in heaven". We pray for an encouraging word for those who are weary.

In Jesus' Name,
Amen.

Do a new work of releasing divine creativity birthed by you. Let my spirit be tuned in to your leading. Show me opportunities to share the gospel. Keep my focus on you. Let me not look to my own understanding. Show me every step, every moment, and how this time should be used by you. Let me recognize and address when the enemy comes to slant my thinking and steal my joy. Let a boldness rise! Let the word of God rise! May a song of worship flow from my lips! Thank you, Father, for teaching me how to live free from discouragement and depression.

So, sit back, relax, and don't have anxiety about lack. Because soon Jehovah Jireh will remove and destroy all of the devil's attacks. Father, many have lost hope in Jehovah Jireh and they haven't put their trust in God. So, open their heart to look to you. Begin an awakening and wake them through and through. So, every heart and every voice may sing a song and celebrate in one voice. Jehovah Jireh is my provider.

Father, I come in the wonderful name of Jesus. Thank you for your amazing love. Love that casts out all fear. I am so thankful we can rest in you. Thank you, for sending us the Holy Spirit who teaches us, gives us comfort, and gives us discernment. We rely on the Holy Spirit to leads us to an overwhelming victory in Christ. Your word reads that “fear is not of you and we can walk in power, love, and a sound mind”. So, we speak to the spirit of fear. We recognize the lies of the devil that would drag us into fear. We boldly decree! Fear you have to go! Fear of the future, you have to go! Fear of lack, you have to go! Fear of health problems, you have to go. Fear for family’s safety, you have to go! Fear of _____, you have to go! We are redeemed through the blood of the Lamb. We proclaim that we have a sound mind! We proclaim that we have power from the highest God! We proclaim that our Father loves us and sent his Son for us. Oh, think about that! We are free from the spirit of fear and we will no longer allow it to operate in our lives.

In Jesus’ Name,
Amen.

Father, in the name of Jesus we bind the spirit of heaviness that would try to attach to the believers of COTR. We bind the spirit of heaviness off of your families. Devil, you will not have any part of these families. Depression, stress, anxiety, and fear you have to go. In Jesus’ name, I loose the comforter. Holy Spirit return joy to those who have lost their joy. Put a new song of praise upon their lips! Let your children see your goodness and kindness. I pray that their prayers will be answered. Make a way where there seems to be no way. Thank you, Jesus!

In Jesus’ Name,
Amen.

Father, in the name of Jesus we ask that you send forth a rain of blessings upon your people. We pray for harvest in every area of their life. I pray that blessings will continually flow. We speak that a double portion will come upon their life. Give them double for all of the trouble that they have experienced. Financially bless your people and let favor begin to flood their life. Let this next season far surpass what they could dream or imagine. Restore everything that has been stolen from them. From the smallest to the largest, from marriages to failed businesses, from sickness to weakness restore everything the devil has stolen from your people. I speak according to the word of God. "If a thief is caught, he must restore seven times". Devil, we decree that you must restore what has been stolen, in Jesus' Name. Let your people walk in your glory and may they rest in your divine presence. May they enjoy your wonderful fellowship. I pray that every day your people will see your power and inspiring miracles in their life. Do the unimaginable, oh Lord. Demonstrate your power through your servants to a lost and hurting world. Teach your family to walk in the authority you have given them. Father, I pray your families are blessed coming and going. I pray they are overwhelmed by the encounter and fellowship they have in knowing the Holy Spirit! I decree your families are blessed! Thank you for

your delivering power. I thank you that in the seasons to come, we will be at the right place at the right time. We will be led by the Holy Spirit in everything we do. Thank you for your deliverance in every situation. Thank you for the blessings of the atonement. Jesus, such wonderful love you have for us. Father, in Jesus' name, we let go of the pain, sorrow, and hurts others have caused us. We forgive _____ by faith. We ask Father, that you will heal our broken heart and restore all of our emotions. God, we ask that you would replace the anger in our hearts with love and joy. Teach us to recognize when hatred tries to rule our life. When the accuser would come up, speak evil, and try to cause anger to arise, remind us, they are forgiven. We will no longer rehearse this transgression! We will no longer think or ponder evil that was done to us. We remind the devil that they are forgiven and our prayers will be answered. The blessing is upon our life! Nothing is worth losing the blessing or having unanswered prayers!

In Jesus' Name,
Amen.

Father, oh how I love to dwell in your presence. This morning, I lift up my voice and worship you with all that is within me. Thank you for being Jehovah Jireh, my provider. You are worthy of all praise and adoration. May all that call you Lord begin to worship you in unity and sing praises. Singing of your goodness. Singing of your holiness. Singing that you are our deliverer. Our solid rock in the middle of a storm. I will sing of your strength, power, and glory. I will sing of your splendor and majesty. I am so thankful for your abiding presence. I'm thankful that I can trust you. As the body of Christ, we can trust you. I have founded my life upon your word! You surround me and shelter me from the storms of life. Father, I pray those who don't know you will become skillful and have godly wisdom. Their life will change as they learn of your goodness and your kindness. They will learn what a friend they have in Jesus. I pray they commit their lives to you. They are free from the shackles of sin. Shackles that have kept them locked in bondage. Thank you for setting them free! Restore what has been stolen in their life! Stolen marriages! Stolen finances! Stolen dreams! Stolen destinies! Stolen relationships! Stolen health! Give them a new hope. Give them a new future. Let them know that they can trust you! Father, encourage and protect them. Place a hedge of protection around them. Let them see quick answers to their prayers. May they have a God encounter with you! Bring the right friends into their life that will mentor and show them the goodness of God! Father place inside of them a fire for you that cannot be quenched. Let them seek you with all their heart and with all their being.

Prayers

for **THANKSGIVING**

Prayers of Thanksgiving

I love you, oh Lord, with all my strength and being. Your overwhelming love causes me to hunger and thirst for you. I commit my life totally to you. You are my rock and the one I completely lean on and trust. I am so grateful that you are my refuge, shield, and high tower. I will sing a song of praise and thanksgiving to you all day long. You are holy. You are perfect. You never lie. You are good, totally, and completely. There is no evil in you. You are wise. Nothing, I mean nothing, can even begin to compare to your great wisdom. Who is like our God? There is no one like you. You save us from our enemies. The enemies of sickness. The enemies of lack. The enemies of sin. Whoever or whatever our enemy is, they become a defeated foe in the name of Jesus. Father, we stand in the gap for churches, church staff, businesses, and employees. God, I pray that you will release skillful and godly wisdom for their life and soul. Your word reads that "if you seek and find wisdom, that you will have a future and a reward". So, I ask for wisdom for churches and businesses. I thank you for imparting divine wisdom and knowledge in every area of their life. Let every pastor and business owner be led by your divine hand. Let them realize that it's you who is delivering and saving them. Let them prosper as their soul prospers. Instill in them new hope and a new future. Thank you, Father, for delivering them through this season.

In Jesus' Name,
Amen.

Father, I will praise you with all of my heart! I will sing praises to you because you alone are worthy of praise! I will continually magnify and think about your goodness to me! To dwell in your presence and abide in your amazing love. Oh, wonderful Jesus, I recognize you as the lamb that was slain. You are the blessed redeemer! You are the Messiah and Lord of all! The name above all names which set the captives free! I adore, worship, and love you. Thank you for paying the ultimate price for me. Precious, precious was the blood that was shed for me. Blood that cried out God's love in every drop! Such obedience to the Father! Who is like you? No, not one! Holy Spirit, I thank you for teaching, comforting, and leading me in the direction I should go! Thank you for teaching me to pray and praise! Teaching me to worship and commune with you and to walk in your presence continually!

In Jesus' Name,
Amen.

I will joyfully wake up and praise you! For you have answered my prayers completely. One by one, you, oh Lord, have answered my heart's prayer request. You have delivered me from my enemy. You have given me a miracle victory, even when it looks like I would be overwhelmed! You, Lord, have swallowed up the evil plots the devil had planned for my life. I will praise you. For you have done great, great things for me! You are the joy of my life! I can't stop praising you for all you have done for me!

In Jesus' Name,

Father, I praise you! I magnify you! You alone are worthy of all praise! Thank you for your overwhelming goodness and kindness upon my life. What an amazing love that purchased my redemption on the cross! Love that revealed to me a depth of commitment to the Father. I surrender my will. Not my will, but your will be done. Oh, wonderful Jesus, how magnificent you are for surrendering and committing to the Father. I want to be like you in all that I do. I surrender my life as a servant to Adonai, Lord, and Master. My desire in everything that I do is to be completely owned, possessed, and obedient to you. Remind me that it's your will when my fleshly desires or nature would lead me in a wrong or different direction. Let every room in my life be dedicated to you. I pray that I will always be deluged and filled with a desire to serve you. May my heart put complete and confident trust in you, Adonai, because I have made you Lord and master over my life.

In Jesus' Name,
Amen.
